

HOSTING THE MEN OF MCREST (at the HOTEL)

Thank you for the generosity in hosting the Men of MCREST!

Below are the expectations for your hosting week. (Please ensure that we have received your completed Congregation Confirmation securing your week and acknowledging the below responsibilities)

Meals: Your church will be responsible to provide lunch and dinner each day to the 30 men in our program, starting on the Sunday of your hosting week. Please prepare a “to go” container w/full dinner and cutlery for that evening, as well as a lunch bag for the next day. (*Continental breakfast is provided by the hotel*) Lunch bags should include *at least* the following: a juice, a water, a sandwich, a sweet snack, and a salty snack.

Please place the dinner and lunch bag into 1 grocery store bag that will be ready to go and then dropped off to our Mt Clemens shelter btwn 3:30-4:30pm daily. (The men check in at our Mt Clemens location, daily, at 5pm)

Laundry: Please provide 30 ziploc bags filled with \$4.50 in quarters, at least 1 tide pod and 1 dryer sheet. Those can be dropped off at the start of your hosting week.

Bus Tickets / Fuel Cards: When it comes to individual transportation needs for our guests, it costs approximately \$25/per guest, for the week (total of \$750/week) If you would like to provide a check made payable to MCREST noting “transportation” in the memo line, this will allow us the ability to properly distribute the funds to meet our guests needs (either bus tickets or the purchase of fuel cards)

Hotel Costs: Even though you are not able to host the men in your church, we do still have the expense of housing the men at the hotel. Any contribution that you can make to offset the cost of this expense would be greatly appreciated! Please make check payable to MCREST, with “housing/hotel” noted in the memo line.

Additional Contributions: Donation of any additional food, left-over snacks, bottled water, paper products, etc., from your hosting week are greatly appreciated.

Your church will be provided with any necessary communication (which may include the Guest List, dietary restrictions, specific guest needs, etc) *on the Friday before the start of your hosting week*. Please feel free to reach out to the Volunteer and Membership Liaison with any additional questions or concerns regarding your hosting week!

Thank you for your continued support!
